DECLARATION UNDER 37 C.F.R. §1.131

1. We the undersigned, Eric K. Hall, Thomas R. Giallorenzi, and Richard B. Ertel, hereby attest that we are the joint and first inventors of the invention described and claimed in the above-referenced patent application now pending before the U.S. Patent Office. Exhibits A and B described below represent our work on the invention described in that patent application.
2. Exhibit A is a true copy of an application draft dated 21 August 2001 and sent by the firm Harrington & Smith for our review. Exhibit A exhibits conception of the invention at least as early as 21 August 2001.
3. Exhibit B is a copy of a cover letter dated 21 August 2001 by which Harrington & Smith sent Exhibit A to us for review.
4. We each hereby acknowledge that the statements made herein are true or are made on information and belief that is believed to be true. We each further acknowledge that any willful false statements are punishable by fine or imprisonment, or both, in accordance with 18 U.S.C. §1001; and that such false statements may jeopardize the validity of any patent that may issue from the application to which this Declaration pertains.
